

Android : Layouts & Widgets

Exercice 1 :

Reproduisez l'écran suivant :

The screenshot shows a mobile application interface for a login form. At the top, there is a status bar with the text 'ParlezVous'. Below it is a blue header bar with the text 'Formulaire de connexion'. The main area contains two text input fields: the first is labeled 'Nom d'utilisateur' and the second is labeled 'Mot de passe'. At the bottom, there are two buttons: 'Vider' (Clear) and 'Envoyer' (Send).

Rappels :

- **TextView** permet d'afficher un texte
- **EditText** permet d'afficher un champ de saisie
- **Button** permet d'afficher un bouton

Exercice 2:

- 1 Reproduisez l'écran suivant :

- 2 Complétez la classe MainActivity pour faire fonctionner la calculette

Exercice 3:

Reproduisez l'écran suivant :

The screenshot shows a mobile application interface with a black background. At the top, there is a status bar with icons for signal, battery, and time (0:53). Below the status bar, the title "Troims" is displayed. The main form contains two input fields: "Poids" (Weight) and "Taille" (Height). The "Poids" field has a red label and a white input box with the text "Poids". The "Taille" field has a red label and a white input box with the text "Taille". Below these fields, there are two radio buttons: "Mètre" (unselected) and "Centimètre" (selected). Below the radio buttons, there is a checkbox labeled "Mega fonction !". At the bottom, there are two buttons: "Calculer l'IMC" and "RAZ". Below the buttons, there is a section titled "Résultat:" with the text "Vous devez cliquer sur le bouton « Calculer l'IMC » pour obtenir un résultat."
